## George Washington

*Born February 22, 1732*

*Died December 14, 1799*

George Washington (not to be confused with the more contemporary George W.) was our first President and Commander of the Continental Army during the Revolutionary War. Most of us know that. But what else do we know about him? Since he was born on February 22, I decided we should have a closer look into the life of this important individual who has had so much influence politically and militarily in the history of this nation. But who wants to have to read all the details in a book? Not me. So, I invited George himself to pay us a visit and get a glimpse history from the man himself. And, fortunately, he agreed.

Dave Wallace will portray George Washington. He is a native Colorado Springs resident and has always had a love of history. He taught in D-11 for 16 years and at the Colorado Springs Christian School for 24 years, where he was the chairman of the history department. He portrays a number of other characters and has traveled extensively to many different countries collecting stories, pictorial presentations, and illustrations, making history come to life for his students.

**Be sure to bring your camera** and have your picture taken with George W.!! Of course, guests are welcome.

(please indicate your choice of entrée and name of Guest)

## President's message

2014 promises to be another exciting year of AAUW activities. The January program about the Palmer Land Trust challenged us to think about issues of land use. February will bring a history lesson from "George Washington", and in March, we will once again join with women from many organizations in the community to celebrate International Women's Day. The theme this year is "A Promise Is a Promise: Time for Action to End Violence Against Women". Full details are in this newsletter. The previous three events have been held in the evening, but this year the celebration will be a brunch on Saturday. Since that schedule seems to work better for our members, I hope we will have a strong attendance.

- Our scholarship application is posted, and Joann is actively seeking applicants (see her report).
- Our grocery card fund raising project is bringing in money for local scholarships as well as AAUW funds (see Candy's report).
- The Public Policy group is urging everyone to attend Public Policy Day on February 1, and to join them for a showing of *Inequality for All* on February 13 (see Cara's report).
- Pam Doane is heading up the nominating committee seeking a president-elect, treasurer, community vice-president, and three members for next year's nominating committee. Call Pam if you can step up to help lead our branch.
- Nancy Holt, Interest Group Chair, is seeking a volunteer from the Local History Group to take on the role of chair for that Group. We all owe thanks to Darlene Aspedon who is "retiring" after long service in that position. She is volunteering her extensive file of ideas and contacts to help the new chairperson. Call Nancy if you want more information.

See—I told you we have an exciting year under way! We also have our first winner in the contest to bring in new members. Lois Boschee has recruited three new branch members, and received a free branch meeting in recognition of her efforts. You too can win. Just talk to your friends about AAUW, give their contact information to Joan Capesius or Lois Boschee, and, if three of them join, you will earn a free registration for a branch meeting of your choice.

I look forward to seeing **YOU** at one of our events!

### *Exploring Lives and Cultures Book Group has a national impact!*

Each year members of the Exploring Lives and Cultures interest group are invited to suggest books for inclusion in the Adelante list issued by national. Those titles are read by AAUW members across the country. One or more of our suggestions usually make the list, but of the twelve books selected for 2013-2014, SIX were suggested by members of our branch. Eunice Ciaccio, Shirlea Griswold, and Jan McKenzie each suggested one book that was chosen, and Margaret Miller submitted THREE books that were selected for the national list. Way to go!

Exploring Lives and Cultures meets on the first Friday of each month at 10 AM, usually at East Library. Come try us!

Thanks to all who purchased extra King Soopers and Safeway cards to use as gifts during the holiday season. A couple of innovative uses: one member whose company sponsored a family loaded a card for them, another bought and loaded a card for "care and share".

We received a check from Kings for \$261.00. Safeway totals are getting close again with reloads in November and December totaling \$3,295.

Reload your card whenever you shop for groceries and/or buy gas at Safeway and King Soopers to continue support for AAUW programs and Local Scholarship.

Need a card? Call me at 719-633-9917.

Great opportunity to observe the democratic process at work in Colorado!

## **Public Policy Day is Feb 1**

Former Colorado Supreme Court Justice Rebecca Love Kourlis, author of *Rebuilding Justice: Civil Courts in Jeopardy and Why You Should Care* is, that's who! She's also director of the [Institute for the Advancement of the American Legal System](#) at AAUW college/university partner member [University of Denver](#). You won't want to miss this! Get full Public Policy Day program info and register online on the Colorado AAUW [Advocacy page](#).

Also, don't miss the AAUW Lobby Corps' presentation on current state legislation.

## **Shriver Report Features an AAUW Advocacy Group Member**

Featured last week on Brian Williams' Nightly News, *A Woman's Nation Pushes Back From The Brink* is the title of the third in a series of reports by Maria Shriver addressing inequality of pay for women. ## **ALEC Board Member Leader in the 2014 Colorado Legislature**

Senator Bill Cadman from District 12 in El Paso County, has been on the board of the American Legislative Exchange Council for years, and is now Minority Leader in the Colorado Senate. Since ALEC has an agenda that undercuts public education, the effect of their efforts on Women and girls merits our close attention. Google "ALEC Exposed" for more detail

## Local Scholarships

Our Local Scholarships are now “in action,” and we need your help to encourage worthy women to apply. Application forms are available on our branch website ([coloradosprings-co.aauw.net](http://coloradosprings-co.aauw.net)) and on the UCCS and PPCC websites under Scholarships. Who is eligible? The applicant must be a woman, must be currently attending UCCS or PPCC and planning to attend UCCS or PPCC next fall, must have at least 36 college credit hours but may not be a graduate student when she applies, and must have a grade point average (GPA) of at least 3.00 on a 4.00 point scale. Take a look at the application forms, and note all of the hurdles each applicant must leap over. Please let me know of any changes you might want to suggest for next year.

The financial aid counselors at both schools are well aware of our scholarships, and hard copies of the application form have been delivered not only to the Financial Aid Departments of both schools but also to their child care centers, where students who are mothers of young children are most likely to see them. If you have suggestions for other locations, please let me know.

And thanks again for all of your contributions, which have made these scholarships possible!

*Joann Oh, Local Scholarships Chair*
