AAUW 2014 WELCOME  
COFFEE**

Once again we will kick off the new season with our annual Welcome Coffee to be held at the Masonic Center. With everyone together in one large room, we hope to increase contact and interaction among members and guests. Our focus this year will be our Interest Groups, with someone from each group giving a brief overview of what their group does.

This is the perfect time for all existing members to focus on their social groups and circle of friends to recruit potential new members. Ask them to attend. It doesn't cost them anything and they can check things out for themselves, meet other members, and munch away.

We had a great turn-out last year – let's outdo ourselves this year!

**NOTE:** 2014-2015 Directories will be available!

## AAUW President's Message

As our AAUW year gets started, I am honored to serve as president of our Colorado Springs Branch. Our branch is a strong branch with many accomplished and thoughtful women. I encourage all members to get involved in ways that will be meaningful for you.

This year we have two goals that will guide our work:

-To explore ways to provide balance in our focus of providing interesting and meaningful programs/social time with addressing the mission of AAUW and public policy issues.

-To find ways to collaborate/partner with other women's organizations in the Pikes Peak region to plan events including International Women's Day on March 7, 2015 that address and celebrate women's issues.

Thanks to the Program Committee led by Jann Nance and Caryl Schrab, we again have an exciting list of speakers for our branch meetings. Remember that all branch meetings are open to guests, including husbands. We encourage all members to attend branch meetings and to become involved in one or more interest groups. Try out a new one this year!

Our Authors' Day is November 15 at The Pinery. Thanks to the Authors' Day Committee for its active involvement in selecting authors and in planning ways to publicize the event. Publicity is coming out soon!

Thanks to all members who have paid their dues. This year we will have to watch expenses very closely in order to ensure that we end the year in the black.

Be sure to read Cara Koch's Public Policy Report. She is already hard at work planning events this year that will address issues relevant to women and girls in our state and in our community.

I look forward to an exciting, worthwhile year with everyone!

*Judy Casey*

## Note from membership

Goals for the national and local branch are again to recruit and retain members. Do you have a friend who would be interested in doing her part to move forward equity for women and girls? Think about how far the roles of women have changed in the past half century. We do not want to lose ground and we don't want to stand still. Bring your friend to a branch meeting so she can learn about what we are doing in the community.

Remember your first day of school or the first day of a new job? How uncomfortable it was not knowing anyone? I'll bet you remember the very first person who befriended you. Let's try to make everyone feel welcome, especially those new members. Even if they are not new members, you can get to know them. We have a variety of interest groups. Find out what their interests are and connect them with someone who is also interested in that group. Let's all go out of our way to make our branch the "friendliest AAUW branch" in the state.

*Lois Boschee, VP Membership*

## TWO AREAS OF FOCUS FOR 2014/15

The Public Policy Interest Group has chosen two major areas of focus this year:

### Early Childhood

There is currently a child care crisis in Colorado, with only 46% of the children under 6 years who need child care having licensed space available to them. The average annual cost of full time infant care in a center in El Paso County is \$12,736. Because child care is so critical to the economic self-sufficiency of women, we decided this is a top priority issue for AAUW.

Our Colorado Springs AAUW Branch is partnering with the Pikes Peak Early Childhood Council (**Alliance For Kids**), **Pikes Peak United Way**, **EPIC** (Executives Partnering to Invest In Children) and **Pikes Peak Library District** to participate in the national Public Engagement Campaign about the importance of Early Childhood and the future of our nation. We expect that other organizations will be joining the effort as well.

As part of this effort, Colorado Springs AAUW has been selected as the lead agency to sponsor a pre-screening launch of the documentary, *The Raising of America*, which will be airing on PBS sometime this winter. Watch for the Launch date to be announced.

Several members of the Public Policy Interest Group attended the July 15<sup>th</sup> Women's Foundation presentation of their current research project addressing the high cost of childcare in Colorado. Read the report at <http://www.qualistar.org/child-care-cost.html>

### Privatization of Public Education

Members of the Public Policy group who are on the Program Committee are working on the January Program, which will feature a documentary entitled *Rise Above The Mark*, which brings to light some of the challenges to public education.

### Voted Ed/Ballot Issues

With the election coming up, the Public Policy Committee will be partnering with the **League of Women Voters** to sponsor a public presentation about issues that will be on the ballot. It will be held on **October 6 from 9:30 am to noon at the East Library Community Room**.

We are also stressing the importance of voting in ALL elections, including non-presidential ones. Unfortunately, a small fraction of the electorate has determined election outcomes in recent elections when it is not a presidential election year. NOTE: Voter registration can be done online at [www.GoVoteColorado.com](http://www.GoVoteColorado.com).

## BECOME A TWO-MINUTE ACTIVIST!
