

On **Saturday, January 16, 2021 at 5:00 PM** the AAUW Vice Presidents of Programs are having a **Zoom Happy Hour** to celebrate the NEW YEAR!

Please have a seat with your favorite evening beverage and join us to talk about:

- **What positive outcomes did you have in 2020?** Did you learn new technology (Zoom)? Figure out how to continue your book clubs? Spend more time with family and loved ones? Finish those projects that have been laying around for a while? Reflect on the important things in life? Let us know what helped you through a pandemic.
- **What are your hopes and dreams for 2021?** It's a New Year with
  - Several vaccines that will eliminate COVID-19
  - A return to meeting in person possibly by summer
  - Our renewed ability to travel again and visit our loved ones.
- **How has your life and outlook on the future changed after 2020?**

This program will be open to AAUW members only and will be recorded.
