

## Branch Scholarship Recipients Attending NCCWSL

Three of our **2020-2021 AAUW scholarship recipients** will have the opportunity to participate in the AAUW National NCCWSL (National Conference for College Women Student Leaders) virtual conference to be held May 25-26, 2021, thanks to AAUW Colorado, who is sponsoring twelve women from across the state of Colorado.

**Anna Duerst, Kandyse Patterson** and **Victoria Scott** will be representing Colorado Springs at this year's conference.

Anna graduated from Pikes Peak Community College in December 2020 and transferred to the University of Colorado-Colorado University (UCCS). At UCCS, Anna is pursuing a bachelor's degree in Human Services which will put her on track to eventually have her own counseling practice.

Kandyse has attended both Pikes Pike Community College and University of Colorado- Colorado Springs with the goal of pursuing a career in medicinal chemistry or pharmaceutical research. Next year she will begin pharmacy school through a hybrid program in Omaha, Nebraska.

Victoria has been an enthusiastic student at Pike's Peak Community College (PPCC) while also working full time. She is studying business and has been involved in Phi Theta Kappa Honor Society. Victoria often volunteers for speaking engagements at La Vista Correctional Facility, the Southern Colorado Women Chamber of Commerce Foundation, and PPCC's scholarship reception. Next year, Victoria will continue her enrollment at Pikes Peak Community College.
