

## AAUW Colorado Springs Annual Program and Meeting

Our last Zoom meeting for this year's programs occurred on Saturday, May 15<sup>th</sup>.

Colorado Springs Pioneer Museum Curator, **Leah Davis Witherow**, presented *Women Shaping Colorado Springs: Historic Changemakers You Should Know*. One featured local resident is Helene Knapp, who became an activist for POW/MIA wives and successful fundraiser for the National League of Families of American Prisoners and Missing in Southeast Asia. (She is a neighbor of AAUW member Sally Metzger!)

After Ms. Witherow's riveting program, our current board and our incoming board were recognized and thanked for their service.
