

AAUW Colorado & National

AAUW has been trailblazing for women since 1881, breaking down barriers to help make the world more equitable for future generations. The new millennium invites us to join the continuing fight for gender equity, closing the pay gap! Our advocacy efforts have propelled many new laws including the Equal Pay Act in 1963, the Title IX Amendment in 1972, The Family Medical Leave Act in 1993, and the Lilly Ledbetter Fair Pay Act in 2009. American Association of University Women

The AAUW mission is to advance gender equity for women and girls through research, education, and advocacy. Since our founding in 1881, AAUW members have examined, discussed, and taken positions on the fundamental issues of the day as they relate to gender equity.

Scholarships

AAUW branches help to advance educational opportunities through local scholarship funding across the U.S. for qualified women students. Participating branches and states determine their scholarship amounts and eligibility criteria for chosen applicants.

The AAUW Colorado Springs Branch will honor these six applicants from PPSC and UCCS as we help contribute to a promising educational future for these deserving women!
