

## We Are Here For You !!!!

Our AAUW Branch is the LARGEST Branch in Colorado

Help us continue to

“Be The Best”

We need more highly energized and motivated MEMBERS - Leading us to our FUTURE Successes.

## State and National Focus

By joining our Branch, you automatically join the State and National AAUW organizations!

You are an essential part of a strong community of women who value education, information, and equal rights.

We sponsor the nation’s largest leadership conference for college student women. We represent women and girls worldwide, consulting with the United Nations, and are boldly striving to reach pay equity in the United States by 2030,

(Dec 2023)

## American Association of University Women Colorado Springs Branch

AAUW’s mission is to advance equity for Women and Girls through advocacy, education, philanthropy, and research. Since our founding in 1881, AAUW members have examined and taken positions on the fundamental issues of the day — educational, social, economic, and political.

# Why Join AAUW's Colorado Springs Branch?

## Branch Activities

Branch Meetings and Events stimulate a lifetime of personal and professional growth, through monthly programs that align with the AAUW Mission:

- Public Policy
- Community Outreach/Support
- Diversity, Equity, & Inclusion
- Colorado Authors Day
- Non-Profit Fundraiser Events
- Fall Membership Special
- Holiday Celebration
- Interest Groups

Enjoy Participating as much as you want and with topics that interest you, while your membership dues keep working on behalf of expanded opportunities for women and girls everywhere.

Still not sure? Come and see what we are all about. Prospective members are invited to attend all Branch Events.

## Major Branch Initiatives

### College Scholarships

Each year our Branch awards scholarships to local Collegiate women on their basis of financial need, promise, and academic achievement.

### Science, Technology, Engineering, and Math (STEM)

Our Branch champions introducing young women to opportunities awaiting them in STEM-associated careers, particularly in the lucrative physical sciences and engineering fields - through hands-on experiments.

## Interest Groups
