American Association of University Women- Colorado Springs Branch

AAUW's Mission:

Advance gender equity for women and girls through research, education, and advocacy.

Why Join AAUW's Colorado Springs Branch?

Branch Activities

AAUW has been empowering women since 1881 in a variety of ways.

Branch meetings and events stimulate a lifetime of personal and professional growth through monthly programs that align with the AAUW Mission:

- Fall Welcome Coffee and Scholarship Celebration
- Public Policy Day
- Community Issues
- Diversity, Equity, & Inclusion
- CO Authors Day and Auction
- Holiday Celebrations
- Interest Groups

Enjoy participating as much as you want and with topics that interest you, while your membership dues keep working on behalf of expanded opportunities for women and girls everywhere.

Prospective members are invited to attend all Branch Events.

Major Branch Initiatives

College Scholarships

Each year our Branch awards scholarships to local Collegiate women on their basis of financial need, promise, and academic achievement.

Science, Technology, Engineering, and Math (STEM)

Our Branch champions introducing young women to opportunities awaiting them in STEM-associated careers, particularly in the lucrative physical sciences and engineering fields - through hands-on experiments.
